### STUDY ABROAD CONTRACTUAL AGREEMENT

- A Study Abroad Contractual Agreement allows SUNY-ESF to process financial aid awards for a student while attending classes at a Title IV ineligible foreign academic institution for an approved study abroad program.
- As allowed in Part 668.19, Student Assistance General Provisions, and Part 690.8, Pell Grant Program, Code of Federal Regulations, this Study Abroad Agreement is entered into between SUNY-ESF (home institution), the degree-granting institution, and the foreign host institution, or the Study Abroad Organization acting on behalf of a foreign institution, named below for the purpose of providing federal financial assistance to the student named below.
- All approved financial aid funds will be disbursed directly to the student by SUNY-ESF. It is the student’s responsibility to make all necessary payment arrangements. Financial Aid funds will not be offered until all required paperwork has been submitted.
