EDUCATION:

Doctor of Philosophy, May 1999
SUNY – College of Environmental Science and Forestry, Syracuse, NY

Juris Doctor, June 1989
Albany Law School, Union University, Albany, NY

Bachelor of Landscape Architecture, June 1986
SUNY – College of Environmental Science and Forestry, Syracuse, NY

LICENSES:

Admitted and licensed to practice law in New York State since January 11, 1990.

EMPLOYMENT:

Professor of Forest Policy and Law, 2011-present (Associate Professor 2004-2011, Assistant Professor 1999 to 2004)

Department of Forest and Natural Resources Management (FNRM), SUNY ESF, Syracuse, NY

Courses currently taught:

- FOR 465: Natural Resources Policy (senior undergraduate) 2005 to present.
- FOR 485/685: Business Law (graduate and senior undergraduate) 2010 to present.
- FOR 487/687: Environmental Law and Policy (graduate and senior undergraduate) 1999-2003 and 2008 to present.
- FOR 489/689 & LAW 865: Natural Resource Law (graduate, senior undergraduate, and Syracuse University's College of Law students) 2008 to present.

Courses previously taught:

- EST 225: Introduction to Legal Processes (undergraduate) 1996 to 2002.
- FOR 488/688: Natural Resource Administrative Law (graduate and senior undergraduate) 1997 to 2009.
- FOR 665: Natural Resources Policy (graduate) 2007.
- FOR 720: Theoretical Foundations of Natural Resources and Environmental Policy (graduate) 2003 to 2005.
- FOR 797: Forest and Natural Resource Policy Seminar (graduate) every semester from 2002 to present.

Adjunct Professor and Visiting Instructor, 1996-1999

Faculty of Forestry and Faculty of Environmental Studies, SUNY ESF, Syracuse, NY

Attorney-at-Law, 1989-1995

CONGRESSIONAL TESTIMONY AND PARLIAMENTARY PRESENTATIONS

Malmsheimer, R.W. 2015. Presented on November 19 in London, UK before the *House of Common's All-Party Parliamentary Group (APPG) on Biomass*, on "How Increasing UK Demand for Forest Biomass from the US Will Affect US Forests" at the APPG discussion on "Solving the Energy Trilemma: Flexible Power from Biomass and New Gas."

Malmsheimer, R.W. 2015. Testified on May 14, 2015 in Washington, DC before the *U.S. House of Representatives Natural Resources Committee's Subcommittee on Federal Lands* regarding the results and implications from: 1) Miner, A.M.A., R.W. Malmsheimer, and D.M. Keele. 2014. Twenty years of U.S. Forest Service litigation. *Journal of Forestry* 112(1):32-40, and 2) Mortimer, M.J., and R.W. Malmsheimer. 2011. The Equal Access to Justice Act and Federal Forest Service Land Management: Incentives to Litigate? *Journal of Forestry* 109(6):352-358.

Malmshiemer, R.W. 2014. Presented on June 10 in London, UK before the *House of Common's All-Party Parliamentary Group (APPG) on Biomass*, on "Forest Carbon Accounting Considerations in U.S. Bioenergy Policy" at the APPG discussion on "Forest Biomass Energy."

Malmshiemer, R.W. 2012. Testified on March 22, 2012 in Washington, DC before the *U.S. House of Representatives' Appropriation Subcommittee on Interior, Environment, and Related Agencies* on behalf of the Society of American Foresters regarding: 1) Forest Health on Public and Private Lands, 2) Barriers to Active Forest Management, and 3) Budget Recommendations on USDA Forest Service and US Department of Interior Appropriations.

Note: Since 2001, Dr. Malmshiemer has briefed more than 60 US House of Representatives' and US Senators' staffs on Forest Service litigation, forest management and climate change, forest carbon accounting, and numerous other issues. He has also briefed US administration leaders and offices, such as the Chief of the Forest Service, Undersecretary of Agriculture for National Resources, Environmental Protection Agency, the White House's Council of Environmental Quality, and the Department of Agriculture's Chief Economist Office on various forest policy issues. In addition, he has briefed legislative and administrative policymakers in the Netherlands, United Kingdom, and European Parliament, as well as members of US's European Union Embassy and members of the US's UK Embassy, on biogenic forest carbon accounting issues.
