

MEMORANDUM

TO: Academic Year Faculty (Syracuse Campus)
FROM: Quentin D. Wheeler, Ph.D., President
DATE: February 27, 2017
RE: Academic Year Obligation

In accordance with Article XI, Title H of the Policies of SUNY Board of Trustees, I wish to take this opportunity to establish the academic year obligation of those faculty with this type of professional obligation at the Syracuse campus.

Specifically, I have determined that the academic year obligation will commence on August 21, 2017, and that obligation will continue through May 22, 2018.

Within that period faculty having an academic year obligation will be expected to be available for service consistent with their assignments, program responsibilities and the college calendar.
