

Exchange Visitor Budget Worksheet

All exchange visitors (EV) must submit evidence for financial support. Required funding amounts will vary based on campus and EV activity. The worksheet below is designed to be of assistance in determining the amount of funding required for the purpose of completing the "Exchange Visitor Request Form" and to best assist the EV with their financial planning. These estimated costs are based on one (1) year of Exchange Activity. At a minimum, estimate at least \$28,000 per year (\$2300 per month) for J-1 visitors, and \$6000 per year (\$500 per month) for each additional J-2 dependent.
