

MOON LIBRARY
MISSION, VISION AND VALUES

OUR MISSION:

To provide information resources to the ESF community and to teach library users to learn independently.

OUR VISION:

- To have a user-friendly learning environment.
- To have access to a wide variety of resources that utilizes state of the art technology.
- To offer multiple and diverse services for library users.
- To have a highly trained, helpful and courteous staff.

OUR VALUES:

We are committed to providing excellent work and courteous quality service for all library customers.
