Proceedings of the 1999 Northeastern Recreation Research Symposium

Symposium Topics:

Tourism

Environmental Attitudes and Values

Water Resource Issues in Recreation

Gender, Ethnicity, and Special Populations

Visitor Experiences and Satisfaction

Demographic Trends

Recreation Planning and Management

Historic Preservation in Recreation

Forest Resource Issues in Recreation

Human Dimensions of Fisheries

Economics of Outdoor Recreation and Tourism

Contemporary Issues in Recreation and the Environment
Visitor Experiences and Participation

Place Attachment

Round Tables

Poster Session

Management Sessions

Founder’s Forum

Keynote Address

Complete List

Home
Tourism

- The Perceived Impacts of Tourism: Economic, Environmental, and Sociocultural Influences of Tourism on the Host Community
  
  James Murdy, Andrew Yiannakis, and Josh Shuart

- A Regional Analysis of the Consequences of Tourism Development From a Community Perspective
  
  Yooshik Yoon and Joseph S. Chen

- An Evaluation of State Tourism Web Sites
  
  A. Leslie Burns and Robert A. Robertson

- Sustainability Indicators Regarding Tourism Development and Coral Reef Conservation: A Case Study of Akumal, in the Mexican Caribbean
  
  Wendy J. Garpow

- Developing a Culturally and Ecologically Sensitive Ecotourism in a Resource Extraction, Consumptive Recreation-Oriented Area
  
  Deborah Che

- Virtual Tourism on the Internet
  
  Robert S. Bristow
Environmental Attitudes and Values

- Environmentalism: A Study of Undergraduate Students
  
  Brijesh Thapa

- Attitudes of Outdoor Recreationists Toward Environmental Issues
  
  Gene L. Theodori and A. E. Luloff

- An Exploration of the Influence of Gender and Locality on Environmental Attitudes Using the New Ecological Paradigm (NEP) Scale
  
  Vinod Sasidharan and Brijesh Thapa

- Recreational Use of Wetlands in Juneau, Alaska
  
  James F. Palmer

- Environmental Education Needs Assessment: An Overview
  
  Anneliese Mueller, Robert A. Robertson, Eleanor Abrams, Scott Fletcher, Christine L. Schadler, and Dave L. Howell
Water Resource Issues in Recreation

- Improving Recreational Customer Satisfaction: Focusing on Communication and Changes in Quality of Experience at US Army Corps of Engineers Reservoirs
  
  James D. Absher, Robert C. Burns, and Alan R. Graefe

- Public Perception of the Connecticut River’s Quality and Suitability as a Recreational Resource
  
  Jo Beth Mullens and Melissa McNally

- A Holistic Approach to Maintaining Quality in Environmental Management and Visitor Experience
  
  Fiery Hamilton-Smith

- River of Promise: Community Based Conservation for the Cheat River Watershed in West Virginia
  
  Dave Bassage, Rick Buckley, Jeanne Kraje, Randy Robinson, and Steve Selin
Gender, Ethnicity, and Special Populations

- Ethnicity and Recreation: Problems With Concepts and a Need For New Approaches
  
  *Edwin Goniez*

- Similarities and Differences in the Outdoor Recreation Participation of Racial/Ethnic Groups: An Example from Illinois
  
  *John F. Dwyer*

- Disabled Wildlife-Associated Recreation Participants
  
  *Allan Marsinko*
Visitor Experiences and Satisfaction

More on Conceptualizing and Measuring Leisure Involvement

Gerard Kyle, Deborah Kerstetter, and Frank Guadagnolo

User Satisfactions and Perceptions of Crowding in Four Adirondack Wilderness Areas

Chad Dawson, Peter Newman, and Cathy Fuller
Demographic Trends

- Demographic Change in the 21st Century: The Impact on Recreation Participation
  
  **Amy L. Sheaffer, Ken Cordell, and Joseph T. O’Leary**

  
  **Rod Warnick**

- Promoting In-State Tourism Using Travel Consumer Profiles
  
  **Sotiris H. Avgoustis**

- The Relationship Between the Experiences of Organized Sports League and Leisure Attitude
  
  **Seok-Pyo Hong**
Recreation Planning and Management

- Park Partnerships: A Case Study of Yosemite Institute and Yosemite National Park
  
  *Sin Doble, Chad Dawson, and Robin Hoffman*

- The Importance of Environmental History in Natural Resources Management and Planning
  
  *Karl Roenke*

- The Effect of Fees on Recreation Site Choice: Management Agency Implications
  
  *Allan Marsinko*

- Boosting Confidence In Importance-Performance Analysis: An Explanation and Application of An I/P Modification
  
  *Erin K. Smith and Michael A. Tarrant*

- The Destruction of Wildlife Habitat by Suburban Sprawl and the Mitigating Effects of Land Use Planning
  
  *Richard B. Nichols*

- Visitor Perceptions of Personal Security and Crime at Outdoor Recreation Areas: Contemporary Issues at US Army Corps of Engineers Lakes and Along the Appalachian Trail
  
  *Robert C. Burns, Robert D. Lee Jr., and Alan R. Graefe*

- Weather Related Liability in Outdoor Recreation
Bruce Hronek

Mountain Bicyclists’ Behavior in Social Trail Etiquette Situations

William W. Hendricks, Roy H. Ramthun, and Deborah J. Chavez

Distinctions Between Permitted and Non-permitted Registered Snowmobilers

Joel A. Lynch and Charles M. Nelson
Historic Preservation in Recreation

🌟 Museums and Cultural Institutions in Michigan: Can They Be Viable Tourism Attractions and Tourism Industry Partners?

*Gail A. VanderStoep*
Forest Resource Issues in Recreation

🌟 Aspects of Nonindustrial Forest Ownership That Influence Attaining Recreation and Other Nontimber Objectives

Donald F. Dennis, Thomas H. Stevens, David B. Kittredge, and Mark G. Rickenbach

🌟 Recreationists’ Attitudes Toward the Forest and Forest Management Policies

Gene L. Theodoni, A. E. Luloff and Timothy A. Slack
Human Dimensions of Fisheries

- Development and Verification of a Specialization Index for Angler Segmentation
  
  Ronald J. Salz and David K. Loonus

- Testing Recreation Specialization: Application of a Specialization Index
  
  Kelly L. Finn and David K. Loomis

- Assessment of Tourists’ Attitudes Toward Marine Aquaculture - A Preliminary Investigation of UNH’s Sea Grant Discovery Passengers
  
  Torene Tanguy-Lowy and Robert A. Robertson
Economics of Outdoor Recreation and Tourism

- Economic Impact of Elk Viewing in Rural Pennsylvania
  
  *Bruce E. Lord, Charles H. Strauss, and Walter M. Tzilkowski*

- Fiscal Trends in America’s State Parks: A Eight-Year Analysis
  
  *Daniel D. McLean, Deborah Chavez, and Julie Knapp*

- Economic Impacts Of A Heritage Tourism System
  
  *Charles H. Strauss and Bruce F. Lord*

- Spending Priorities for Outdoor Recreation Planning in New Hampshire: Implications for Managers
  
  *Al Williams, Sam Lankford, and Robert A. Robertson*

- Determining Economic Impact Through Secondary Data
  
  *Hans Vogelsong and Alan Graefe*
Contemporary Issues in Recreation and the Environment

Information Search by Backpackers: A Qualitative Analysis of Planning Behaviors

Roy Ramthun

Using Geographic Information Systems with Travel Cost Models: A Case Study

William Zawacki and Allan Marsinko
Visitor Experiences and Participation

🌟 Five Good Reasons to Have Reservations About Benefits-Based Management

*Thomas A. More and Walter F. Kuentzel*

🌟 Intensity and Extensity of Recreation Participation in Light of the Mean Scores on the Leisure Resourcefulness Scale

*Jerry L. Ricciardo*

🌟 The Relationship Between Quiltmakers’ Level of Development and Participation in Other Leisure Activities

*Sharon L. Todd*

🌟 Self-Efficacy Perceptions Among Mid-Level Recreation Program Managers

*Julie S. Knapp and Daniel D. McLean*
Place Attachment

- Differences in Place Attachment Among Allegheny National Forest Users
  
  *John J. Confer Jr., Alan Graefe, Jim Absher, and Bnijesh Thapa*

- The Relationship Between Place Attachment and First Night Participants Views of Crowding, Overall Satisfaction and Future Attendance
  
  *Thomas D. Wickham and Deborah L. Kerstetter*

- Relationships Between Place Attachment, Activity Involvement, Desired Experiences, and Frequency of Urban Park Use
  
  *Andrew J. Mowen and Alan R. Graefe*

- Exploring Visitor Meanings of Place and Enriching Interpreter Knowledge of Audience in the National Capitol Parks
  
  *Wei-Li Jasmine Chen, Theresa L. Wang, and David L. Larsen*
Round Tables

🌟 A Roundtable: Discussion of Three Case Studies Involving Tourism and Wilderness Areas

Stephen C. Bentley, Katharine C. Bloom, and Mark Gleason

🌟 Alternative Tourism: Gay and Lesbian Travelers - A Viable Hidden Market

Kimberly Monk and Lisa Dingman
Poster Session

Use of Qualitative Data Analysis Tool to Understand the Relationship Between Recreational Fishing and Open Ocean Aquaculture Development

Angela Wright and Robert A. Robertson

Russell W Patterson, Aaron Alsheimer, James F. Booker, and Diana S. Sinton

Recreational Use of Industrial Forest Lands in New York State

Sergio Capozzi, Rene Germain, and Chad Dawson

Competition for Common Property Space: New Hampshire’s Recreational Fishers and Open Ocean Aquaculture Development

Jody Grimes

Use of Qualitative Data Analysis to Demonstrate Three Approaches Taken by New Hampshire Recreational Fishers Toward Open Ocean Aquaculture Development

Nena F. Stracuzzi

The Use of GIS in Recreation Planning: An Application of Spatial Analysis to Find Suitable Locations for Recreational Trails

Matthew Starr, Mikios Gratzer, and Allen Lewis

Storm Chasing: Risk Recreation for the Nineties
Heather Cantillon, Jere~ny Merriam, and Christopher Naughton

Who Owns the Ocean? A Qualitative Study Of Saltwater Recreational Fishers and Open Ocean Aquaculture in New Hampshire

Jody Grimes, Nena F. Stracuzzi, Robert Robertson, and Cynthia Duncan
Management Sessions

🌟 Maintaining the Quality of Park Resources and Visitor Experiences: An Overview of a New Handbook for Managers

*Theresa L. Wang, Dorothy H. Anderson, and David W. Lime*
Founder’s Forum

Reconceiving Recreation in an Era of Growing Social Inequality

Thomas A. More
Keynote Address

🌟 Parks Have a Future, But it has More Problems than the Present

_Elery Hamilton-South_
Tourism
