Proceedings
2003 Northeastern Recreation Research Symposium

April 6 – 8, 2003

The Sagamore
On Lake George in Bolton Landing, New York

Compiled and Edited by:
James J. Murdy
University of New Haven

Sponsors:
East Carolina University
George Mason University
Mansfield University
Michigan State University
SUNY – Cortland
SUNY College of Environmental Science and Forestry
The Pennsylvania State University
University of New Hampshire
University of New Haven
University of Vermont
USDA Forest Service – Green Mountain National Forest
USDA Forest Service – Northeastern Research Station
West Virginia University
Westfield State College
Contents

Planning Issues
The Implications of Demographic Change in Metropolitan Areas for the Use of Recreation Sites
John F. Dwyer and David Klenovsky .......................................................... 2
Consideration of Property Risk Reduction at the Time of Home Purchase by Wildland-Urban
Interface Home Owners ........................................................................... 11
Christine A. Vogt
Computer Simulation as a Tool for Developing Alternatives for Managing Crowding at
Wilderness Campsites on Isle Royale/ome .................................................. 18
Stephen R. Lawson, Ann Mayo Kiey, and Robert E. Manning
Indicators and Standards of Quality at an Urban-Proximate Park: Litter and Graffiti at
Boston Harbor Islands National Recreation Area ....................................... 24
Megha Budruk and Robert E. Manning

Communications and Information
“We’re Trying to Make This Picture Come Alive Again”: An Examination of How Site History is
Presented to School Groups at Chittenango Landing Canal Boat Museum, Chittenango, New York ........ 34
Clifford Blizard and Rudolph Schuster

Management Presentations
300 Years Makes a Difference: Using Focus Groups to Improve Recreation Management Efforts ........ 44
Joseph P. Flood
Recreation Visitor Inventories: Key Information for Capacity Management .................................... 48
Kenneth Chluman, James Vogel, and Greg Brown

Service Quality and Outdoor Recreation
Methodological and Conceptual Issues in the Development of Customer Service Measures for the
National Recreational Reservation Service .................................................... 54
James D. Atnsh, Richard L. Kandel, and Wen-Hsiung Chang
William Valley, Robert E. Manning, Steven Lawson, James Bacon, and Daniel Lauen
Consumptive Attitudes and Customer Service Perceptions Among New England Anglers ................... 67
Thomas Wickham, Alan R. Grafets, and Robert Burns

Recreation Behavior
Does Distance Matter? Differences in Characteristics, Behaviors and Attitudes of Visitors
Based on Travel Distance ........................................................................... 74
Gyan R. Nyupane, Alan R. Grafets, and Robert Burns
Assessment of Overnight User Behavior in the High Peaks Wilderness Area: Strategies
for Trends Analysis ...................................................................................... 82
Stephen F. Langdon
A Comparison of Residents and Non-Residents on Perceptions of Off Road Vehicle Use
and Carrying Capacity .............................................................................. 91
Coley S. Hughes and Hans Vogelang
Founder's Forum
Perspectives, Retrospectives and Prospectives: NERR in Its 15th Year ........................................ 98
Gail A. Vander Stee

Featured Posters
Obligations Inherent to the Creation of Leisure Spaces: What Can the History
of Shenandoah National Park Teach Us? ......................................................... 110
Ben Amiden
Indian Students’ Perception of Rural West Bengal as a Tourist Destination ........................................ 116
Ranjan Bandyopadhyay and Deborah Kerstetter
New England Recreational Fishers’ Attitudes Toward Marine Protected Areas: A Preliminary Investigation ........................................ 121
Robert A. Robertson and Gregg Caporossi
The Impact of Wildland Fire Reduction Techniques on Attitudes Toward Fuels Mitigation:

A Quantitative Synthesis of Place Attachment Research: Inn Outdoor Recreation: Investigating Past Experience and Place Attachment ........................................ 320
Erik A. Backlund and Daniel R. Williams

Constraints
An Examination of the Relationship Between Leisure Constraints, Involvement, and Commitment 328
Gerald Kyle and Andrew Mowen

Proceedings of the 2003 Northeastern Recreation Research Symposium
GTR-NE-317
Constraints (continued)
Possibility of Refining the Hierarchical Model of Leisure Constraints Through Cross-Cultural Research
Garry Chick and Erwir Dong
338
Gender-Based Constraints to Sportfishing Participation in the Eastern Lake Ontario Area
Diane Kuehn
345

Modeling
The Social Values of Wilderness
Rudolph Schuster, Michael Tarrant, and Alan Watson
356
Segmenting of Empirical Estimates of Choice Models
Donald Dennis
366
A Predictive Model of Recreational Beach Use in Southern California
John G. Peden
370

Recreation Users
Acceptable Number of User Encounters: A Study of Adirondack and Great Gulf Wilderness Hikers
Chad Dawson and Kristopher Alberga
380

Water-Based Recreation
Michigan Marine Safety Program Assessment
Charles Nelson and Joel Lynch
388
Differences in Motivations and Expectations of Divers in the Florida Keys
Carolin Mettel and Stuart Coitrel
393
A Comparison of Activity-Specific and Nonactivity-Specific Importance and Management Preferences Among Three Specialization Groups of Trout and Bass Anglers
Laura E. Anderson and David K. Loomis
402
The Impact of License Fees on Pennsylvania Trout Anglers’ Participation
Richard Ready, Willard Delewan, and Donald Epp
410
The Impact of Recreational Crabbing on North Carolina’s Crab Population
Hans Vogelsong and Jimmy Nobles
