Withdrawal from a course(s)

If a student chooses to withdraw from an ESF in the High School course, the student must submit a dated written notification to his/her teacher immediately. The teacher will notify ESF Outreach.

- **Withdrawal/Fee refundable**: Students are eligible for a full refund of the course fee through November 8, 2018 or March 26, 2019 for spring only courses. The SUNY ESF Registrar will designate that record as withdrawn (W).
- **Withdrawal/Fee NOT refundable**: Students who withdraw after November 8, 2018 will NOT receive a course fee refund and will receive the Registrar designation of withdrawn passing (WP) or withdrawn failing (WF), depending on their course grade at the time of withdrawal. The date for spring only classes is March 26, 2019.
- **Withdrawal for non-payment**: ESF Outreach will automatically withdraw students on December 21, 2018 if the course fee is not paid in full on that date. The record designation will be withdrawn failing (WF). (Exceptions may apply to arrangements made prior to the deadline.) The date for spring only classes is April 25, 2019.

Benefits of Enrollment in the ESF in the High School Program

- **Credits and grades earned**: recorded as part of each student’s permanent college academic record, which can be transferred to other colleges and universities throughout the U.S. Official Transcripts that indicate the courses completed are college-level courses with college credit, are available through the ESF Registrar’s office. While acceptance at other colleges and universities is not and cannot be guaranteed, credits earned with grades of C or higher typically can be applied to undergraduate degree requirements at many colleges and universities.
- **Taking dual enrollment courses can be a money saving endeavor**. Taking these courses is also a means to develop a student’s academic prowess, prepare them for college and create a college prep portfolio.
- **Freshman admission to ESF is highly selective**. The college views high grades earned in an ESFHS course as an indicator of the student’s ability to succeed in ESF’s rigorous academic programs.
