### **Semester Dates**

[\(return to top\)](#)

For Fall and Spring Semesters (15 weeks) visit: [www.esf.edu/registrar/calendar](http://www.esf.edu/registrar/calendar).

For Summer Semester visit: [www.esf.edu/summer/schedule/](http://www.esf.edu/summer/schedule/)

- Maymester (2 weeks)
- Summer Session I (6 weeks)
- Summer Session II (6 weeks)
- Combined Summer Session (12-13 weeks)

### **About Courses and Programs**

[\(return to top\)](#)

Courses and programs represent the range of academic and professional disciplines available in ESF's undergraduate and graduate programs. Courses are offered in classroom, lab, online, and/or field-based formats. The [Registrar's web page](#) contains links to the complete list of Fall and Spring courses, course

schedules and descriptions. The [ESF Open Academy](#) oversees [Summer Semester course schedules](#) and descriptions.

The following is a guide to the course numbering system at ESF. Each course number consists of three characters, e.g. EFB and three numbers. The numbers are an indicator of the level of instruction provided by the course:

- 100-499 Undergraduate courses for which no graduate credit may be given.
- 500-599 Graduate courses designed expressly for areas of specialization in post-baccalaureate programs. Qualified undergraduate students may enroll with permission of the instructor.
- 600-699 Graduate courses designed expressly for advanced levels of specialization. Undergraduate students with a cumulative grade point average of 3.000 or better may enroll in these courses with an approved petition.
- 700-999 Advanced graduate level courses for which no undergraduate students may register.

### **Who may take an ESF course?**

[\(return to top\)](#)

The following are classed as Visiting Students:

- Students in good standing at other colleges or universities
- High school graduates
- K-12 educators
- Professionals in environmental science, design, engineering, management and other fields
- Lifelong learners

Note that, during the Summer Semester, SU students are classed as Visiting Students and must follow the registration procedures outlined in this document. MySlice cannot be used for Summer Semester course searches or registration. MySlice information on Summer Semester courses will be incorrect.

### **Disclosure Requirement**

[\(return to top\)](#)

SUNY requires students, including visiting students, to inform SUNY-ESF if they were ever dismissed and/or suspended from a college for disciplinary reasons.\* An affirmative response will not automatically prevent registration as a visiting student, but you are asked to provide additional information. This information will be reviewed by a campus committee to ensure campus safety. Any falsification or omission of data may result in a denial of registration or dismissal.

\*Suspension is defined as a sanction imposed for disciplinary reasons that results in a student leaving school for a fixed time period, less than permanently. Dismissal from a college for disciplinary reasons is defined as permanent separation from an institution of higher education on the basis of conduct or behavior. (SUNY Policy [Admission of Persons with Disciplinary Dismissals, Doc No. 3201](#))

### **How to Register**

[\(return to top\)](#)

Students attending other colleges and universities or individuals not enrolled in an ESF degree program register through the ESF Office for Visiting Students in the ESF Open Academy. Download the [Visiting Student Registration Form](#) (or stop by the office and pick up a paper form) and return the completed and signed form directly to ESF by:

- **Fax:** 315.470.6890 (Attn: Sarah Yurka, Coordinator of Special Sessions)
- **Mail:** SUNY-ESF, Attn: Sarah Yurka, Coordinator of Special Sessions, Open Academy, 1 Forestry Drive, 235 Gateway Center, Syracuse, NY 13210
- **Email:** to Sarah Yurka at [smyurka@esf.edu](mailto:smyurka@esf.edu) with the Subject line: *Visiting Student Registration*

Note that forms may be manually signed, electronically signed, or you may type your name on the signature line. Your signature confirms that you agree to the statements contained in the paragraph above the signature line. For questions about Visiting Student registration email [smyurka@esf.edu](mailto:smyurka@esf.edu) (235 Gateway Center; 315.470.4898) or see the [Visiting Student web page](#). For Fall and Spring semesters only, registrations for Visiting Students are not finalized until just prior to the start of the term. ESF matriculated students have priority, and Visiting Students are admitted to a class on a space available basis. Visiting Students registering

for Summer Semester classes are submitted for registration upon receipt of their registration form, or on the first day of Summer registration (usually in early February), whichever is later.

**Registration Deadlines:** All visiting students taking ESF courses should be aware of timelines for registration, and for adding and dropping courses. *Please note that the Coordinator of Special Sessions must receive your completed registration form no later than one week before the start of the course for processing.* Registration forms received beyond one week before the start of the course will not be accepted or processed.

### **Audits and Non-credit Options**

[\(return to top\)](#)

**Audit:** Audits and non-credit registrations for on-campus courses are available in the Fall and Spring semesters only. To audit a course, you should pick up or download the [Visiting Student Registration Form](#) and return the completed and signed form directly to ESF by:

- **Fax:** 315.470.6890 (Attn: Sarah Yurka, Coordinator of Special Sessions)
- **Mail:** SUNY-ESF, Attn: Sarah Yurka, Coordinator of Special Sessions, 1 Forestry Drive, 235 Gateway Center, Syracuse, NY 13210
- **Email:** to [smyurka@esf.edu](mailto:smyurka@esf.edu) with the Subject line: *Visiting Student Registration*

Upon completion of the course you will receive a grade of “SAU” Satisfactory or “UAU” unsatisfactory. Please note that it is SUNY ESF's policy not to charge tuition or college fees for audited courses. There is a registration fee of \$50, which will be billed by the Bursar. There is no charge for students auditing under Special Audit status (see below).

For questions about Visiting Student registration contact Sarah Yurka by email at [smyurka@esf.edu](mailto:smyurka@esf.edu) , by phone at 315.470.4898 or visit the Visiting Student [web page](#).

**Special Audit:** For NYS residents aged 60 and above, audits and non-credit registrations for on-campus courses are available in the Fall and Spring semesters only. To register as a special audit, you should follow the instructions below:

- This is an informal audit available free of charge and on a space-available basis. Special Audits are allowed to sit in on the lecture portion of a course but are not otherwise able to use most ESF resources such as labs, field work, email, course surveys, or other services. There is no formal registration and no grade will be awarded. The Visiting Student office will keep a record of these requests.
- Registration for Special Audits: Complete the [Visiting Student Registration Form](#) and return to ESF, 235 Gateway Center, attention: Visiting Student Coordinator
- An ESF Special Audit ID card will be issued by the Visiting Student Coordinator (235 Gateway Center) upon request.
- Library access for Special Audits: Present a personal Photo ID to Moon Library personnel to borrow library material and to log into Moon Library computers to search the catalog and databases

### **Summer Semester Waitlist**

[\(return to top\)](#)

In the event that a Summer Semester class is full, a waitlist will be created. Students on the waitlist will be added to the class in chronological order of joining the waitlist. A student will not be added to the waitlist until he or she has submitted a [Visiting Student Registration Form](#).

### **Dropping a Course**

[\(return to top\)](#)

**Note that non-attendance, non-participation, informing the instructor, and/or non-payment is not sufficient notice of intent to drop a course.**

To drop a course:

- During the Fall and Spring semesters –
  - Complete a **SUNY-ESF Registration Form** (available at the Registrar’s Office).

- During the Academic Year (Fall and Spring semesters), this form requires the signature of the Director of the Open Academy on the advisor signature line (226 Gateway Center). See the [Open Academy web page](#) for contact information.
- Drop/Add deadlines for Fall and Spring semesters are to be found on the [Academic Calendar](#).
- During the Summer Semester –
  - Complete a **SUNY-ESF Registration Form** (available at the Registrar’s Office).
  - During Summer Semester, this form requires the student signature only.
  - As an alternative (during the Summer Semester only), the student may email the [Registrar’s Office](#) to notify them of the dropped class. Please contact the Registrar’s Office with questions.
  - Please note that some Summer Semester courses with unique schedules have their own add and drop deadlines. These can be accessed from the [course descriptions](#) or [deadlines](#) links on the Summer Semester web page.

### **Tuition, Fees and Billing**

[\(return to top\)](#)

Visiting Students taking courses for credit during the Academic Year and Summer Session are billed by the ESF Bursar’s Office for tuition and college fees. Tuition is billed by the credit hour and the applicable rate will depend on residency status. Non-residents of New York state who are taking online classes and who will be located outside New York state while taking the class(es) may be eligible to petition for reduced tuition. Please contact the [Bursar](#) for further details.

Visiting students who are auditing courses will not pay tuition and college fees, but will be billed a \$50 registration fee by the ESF Bursar’s office. This option is available during Fall and Spring semesters only.

Questions about tuition, fees and billing, including employer payment and payment plans, should be directed to the ESF [Bursar’s Office](#) (103 Bray Hall) at 315.470.6652. Information can also be found on the [Bursar’s web page](#).

**Financial Deadlines:** Students taking courses should be aware of the financial timelines. Refer to the [Bursar’s web page](#) for pertinent information for all semesters. Additional Summer Semester information may be found on our [Summer Semester page](#).

### **Financial Aid**

[\(return to top\)](#)

Visiting Students (i.e. not matriculated in an ESF degree program) are generally not eligible for federal, state and/or institutional financial aid. With any questions about financial aid, please contact ESF’s [Financial Aid and Scholarships Office](#), 113 Bray Hall, 315.470.6670 or visit the [financial aid web page](#).

### **Housing (Summer only)**

[\(return to top\)](#)

Visiting students can contact the Community Manager (below) to inquire about housing during the Summer Semester only. Housing is offered in [Centennial Hall](#) in 2 bedroom suites for a rate of approximately \$40.00/night (2 night stay minimum). Arrangements must be made with the Centennial Hall manager at least 2 weeks prior to the stay. Centennial Hall is an environmentally friendly “green” building that houses ESF students in a combination of residence hall style rooms and student apartments.

Housing information: Kimberly A. Max, Community Manager

**Centennial Hall at SUNY ESF**

142 Oakland Street

Syracuse, NY 13210

Office: 315-741-3067 Fax: 315-679-4970

Email: [mgrchsyracuse@edrtrust.com](mailto:mgrchsyracuse@edrtrust.com)

## **End of Course Surveys**

[\(return to top\)](#)

As a Visiting Student, you are strongly encouraged to complete an end-of-course-survey towards the end of your class. Your instructor will inform you when these surveys are available for completion. In order to complete the online survey, you must first obtain a NETID and establish a syr.edu email address (see "Your NETID", below). Once you have done this, access the [Student Portal](#) and look for the link "End-of-Course Surveys are available," in the "SU or other visiting Student" box. This link leads to a login page for a special portal for "End-of-Course Surveys for ESF Classes". Log in with your syr.edu email address and your 9-digit SU ID. Click on "End-of-Course Surveys" to see your ESF Courses for the summer. If the Status Reads "Click HERE to take survey" for your course, you can start the survey by clicking that link. Fill out the survey and click "Save & submit Course Survey".

## **Final Grade & Transcript Request**

[\(return to top\)](#)

At the end of the grading period, upon request, final grades will be mailed by the Registrar's Office to the address provided on the Visiting Student Registration Form.

To request a transcript follow the instructions and use the [transcript request form](#) from the ESF web site.

## **Important Information for Visiting Students**

[\(return to top\)](#)

Immunizations Required: Visiting Students born after Jan. 1, 1957 and enrolling in six credits or more in a semester -- NYS Public Health Law Section 2165 requires proof of immunization against Measles-Mumps-Rubella *prior to registration*.

### **Proof of immunization must be provided against:**

- Measles: Two doses of vaccine given after your first birthday, after 1967, at least 30 days apart; or serologic evidence of antibodies to measles; or physician-diagnosed disease.
- Mumps: One dose of vaccine on or after the first birthday; or serologic evidence of antibodies to mumps; or physician-diagnosed disease.
- Rubella (German Measles): One dose of vaccine on or after the first birthday; or serologic evidence of antibodies to rubella. *Note: Physician diagnosis of disease is not acceptable proof of immunity to rubella.*

*Exceptions are made for those students who qualify for medical or religious exemptions.*

Public school systems are one source of written proof of documentation.

A visiting student registered for 6 or more credits **on campus** per semester is required to submit proof of immunization. Go to the link to the [immunization history form](#) on the ESF web site, download the form and follow the directions to submit the completed form to the Magnus Health portal.

A visiting student registered for 6 or more credits, of which 5 or less credits are for courses taken on campus, is not required to submit an immunization history, and may instead submit an exemptions form. In this case, complete the "Student Name" and "Date of Birth" sections on page 1 of the [immunization history form](#), sign and date the "Online-only Student Exemption" section of page 3, and return the form to [Sarah Yurka](#).

A visiting student taking less than 6 credit hours is not required to submit either proof of immunization or an exemptions form.

A failure to submit these records may cause a hold to be placed on the student's account.

**Identification Card:** Upon registration, you will receive an email from the Visiting Student Coordinator with your Identification number (SUID#) that you will need to obtain an ESF ID card. To obtain your ID card, take your ID number to 206 Steele Hall (on the Syracuse University campus, adjacent to SUNY-ESF's campus), along

with personal identification, such as a driver's license or passport. Call 315.443.2721 with ID-related questions. You will use this ID to access resources located on campus and, for security purposes, you should carry it with you on campus at all times. Special Audits are not eligible for an SUID or SU ID card; they will receive an ESF Special Audit ID Card, upon request, directly from the Visiting Student Coordinator.

**Your NetID:** In order to utilize campus systems (e.g. computer labs, Blackboard [see below]) you will need to activate your "Net ID". To do so,

1. Reference your ID number (SUID#) received from the Visiting Student office at ESF
2. Go to the following web page, [selfserv.syr.edu/selfserv/](http://selfserv.syr.edu/selfserv/) and follow the link labeled "[Activate your NetID](#)"
3. Follow the steps on the webpage.

**Blackboard:** ESF uses Blackboard, a web-based, password-protected learning management system run by Syracuse University. All ESF online courses will employ Blackboard. Many of our classroom, lab and field-based courses will also employ Blackboard.

In order to access your course(s) on Blackboard, you will need to use your SU NetID and password. To activate your NetID and obtain your password, please follow the steps outlined above (In Your NetID section). For help with Blackboard, please contact the SU Blackboard help desk at 315-443-2677.

**Your ESFiD:** An ESFiD is required when using the following ESF on-campus resources:

- Evergreen Wireless network
- Classroom PCs
- All teaching lab PCs
- Library terminals

Students who are taking classes online, and students who are not using the above campus resources are not required to create an ESFiD. Students who will be using these resources **must** create an ESFiD. In order to create an ESFiD you must first create a NETID (see above), and then set up an ESFiD by following instructions at <http://HelpDesk.esf.edu/ESFiD>.

[The ESFiD is a new requirement for all students using on-campus resources beginning with the Fall 2018 semester]

**Books:** For books ordered for academic year classes, please reference the procedure at ESF's [Buying Textbooks](#) web page. Summer Semester students are encouraged to contact their instructor for textbook information. Some Summer textbook information is available with the [summer course descriptions](#).

**Libraries:** To use library materials at ESF's Moon Library or any of the libraries at Syracuse University, present your ESF ID card at the circulation desk. Electronic access to journals subscribed by ESF may be accessed, using your ESFiD, when connected to an ESF network. In order to electronically access journals subscribed by SU, you must be on the SU campus and connected to an SU network using your NETID. Please direct any questions regarding library services to 315.470.6726 or visit the [Moon Library](#) web page.

#### **Parking:**

**Daytime parking** on campus is restricted due to the limited parking spaces available. Students may purchase permits through Syracuse University Parking Services and park in the **West** parking lots. For additional information, please contact S.U. Parking Services at 315.443.4652. Special Audits do not receive parking access through ESF.

**Evening (after 5:00 p.m. Monday through Friday) and Weekend Parking** on the SUNY-ESF campus is generally available. You may encounter restrictions during major Dome events. To park on campus during evening hours or on weekends, **you must register your car** with the ESF University Police Department, located in the basement of Bray Hall. Present a completed Automobile Registration form, your ESF ID card, your current

driver's license and a valid vehicle registration to the University Police Department, 19 Bray Hall, SUNY-ESF Campus.

### **ESF Code of Student Conduct**

[\(return to top\)](#)

Visiting students are expected to uphold the same Code of Student Conduct as matriculated SUNY-ESF students and all the rights and responsibilities that this entails. The ESF Code of Student Conduct is found in the [student handbook](#). By registering for one or more classes at SUNY-ESF, you are agreeing to adhere to the ESF Code of Student Conduct.

### **Academic Advising for Visiting Students**

[\(return to top\)](#)

If you anticipate applying your coursework to an ESF undergraduate or graduate degree, you are strongly encouraged to discuss your course selections and intentions with the [Graduate School](#) (315.470.6599), [Undergraduate Admissions Office](#) (315.470.6600), and/or with an academic department representative. Please refer to the list below.
