On behalf of all of our students, faculty, staff, and alumni, as well as our off-campus collaborators, whose passion for outreach and service continues to shine brightly, I share the following as examples of ESF continuing to make a positive difference…

- President Obama recognizes the East Syracuse Minoa School District, including ESF alum and ESF in the High School Teacher, Pamela Herrington.

- Congratulations Syracuse COE Friends and Colleagues, and ESF students and faculty, including ESF alum and professor, Dr. Tom Amidon.

- MOST president Larry Leatherman to retire at year’s end.

- In addition to the many programs included in the Outreach Calendar, please join us in celebrating (and spreading the word about) ESF’s Kiln Drying Workshop (January 11-14, 2016) led by ESF alum and professor, Dr. Bill Smith.

All our best,

Dr. Chuck Spuches, Assistant to the President for Outreach
