

SYRACUSE PULP & PAPER FOUNDATION
Paper Science Minor Scholarship
Department of Paper and Bioprocess Engineering
Spring 2015 - present

The Syracuse Pulp and Paper Foundation, Inc. (SPPF) offers scholarships to undergraduate students enrolled in the Paper Science Minor in the Department of Paper and Bioprocess Engineering at SUNY College of Environmental Science and Forestry. SPPF scholarships are available by application based on academic merit, and awards vary based on cumulative grade point average (GPA) and course grades. Scholarships are renewed each semester subject to Scholarship Committee approval.

The following eligibility requirements and restrictions are currently in effect:

1. Enrollment in the appropriate program and minor in the Department of Paper and Bioprocess Engineering at SUNY College of Environmental Science and Forestry and satisfactory progress toward a BS degree and minor as defined by the Department of Paper and Bioprocess Engineering in consultation with the SPPF Scholarship Committee and SPPF Board of Directors.
2. Scholarships are available to US citizens and permanent residents. Others may be considered at the discretion of the Foundation depending on availability of funds. The SUNY-ESF Director of Business Affairs determines immigration status.
3. The award is accrued as selected courses are completed with a grade of B- or higher. Disbursements are made to the bursar at the end of the academic year. Students must maintain a cumulative GPA of 2.5 to receive the scholarship award.
4. The maximum total award is \$4,400
