RSAA Award Nominations

*Nominations must be in by **April 1st** to be considered. Please list your nomination and reasons why your nomination should be considered. Use an additional sheet if required.*

The Philip J. Haddock Award is presented by the Board of Directors each year. The person selected does not have to be (or have been) an officer of the RSAA or a member of the Executive Committee, but neither should such persons be excluded. The person selected should be one who has made an outstanding contribution of some kind (not monetary). This contribution may be in the nature of a single, noteworthy act or a lower-keyed, but long term commitment to the School and/or the RSAA or for the alumni in general. One who made contributions as Mr. Haddock exemplified: "excellence in dedication to the Ranger School, its alumni and its ideals."

The Kermit E Remele Award of Meritorious Service is presented in honor of Kermit E. Remele. Professor Remele, a 1943 graduate of the Ranger School, served on the Ranger School faculty for over 30 years. As an active member of the Ranger School Alumni Association, he served as Editor of the Alumni News and held the office of Secretary for many years. One of his greatest strengths was his ability to mobilize and motivate people to work for the betterment of the Ranger School. The intent of this award is therefore to recognize groups of people who have combined efforts have gone beyond the norm to have a positive lasting influence on the Ranger School. If you know of any group that you believe worthy of his honor, please list your nomination with justification.
