The SUNY ESF Campus Safety Report

In accordance with the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act”, institutions of higher education are required to prepare an annual report containing information on campus security policies and campus statistics. The following information provides a summary of SUNY-ESF’s safety and security policy. Crime and judicial referral statistics gathered for this report are based on information obtained from the offices of University Police and the Dean of Student Life and Experiential Learning.

General Security & Access Information

In 2008, approximately **2,640** undergraduate and graduate students were enrolled at SUNY-ESF. The College employs approximately **520** full-time and part-time faculty and staff. Students, faculty, and employees have access to academic, recreational and administrative facilities on campus during regular hours of operation. The public can attend cultural and recreational events on campus with their access limited only to the facilities in which these events are held. To report any violations of this or to report suspicious persons, dial campus extension 6666 for the University Police. The University Police Chief is the designated campus security authority for the purposes of this report, and can be reached at (315) 470-6667. (www.esf.edu/univpolice/contact.htm)

Crime Reporting

Crimes in progress and any other emergencies on campus can be reported directly by any student, faculty member

or employee to the University Police Department by dialing campus extension 6666. University Police can also be reached using campus blue light emergency phones and classroom auto dialers. Upon receipt of the call, University Police Officers are dispatched immediately to the site of the complaint. Members of the campus community can also report criminal incidents to the following offices:

Student Life	(315) 470-6658
Human Resources	(315) 470-6611

Members of the campus community are urged to secure their valuables and be aware of their surroundings. A variety of methods are available to disseminate information about criminal activity in the University Hill area that may affect students or staff at ESF: *Crime Alerts* are distributed throughout ESF’s student email system and via Campus News. Crime news and prevention tips are published in the ESF student newspaper, *The Knothole*, as well as in the SU student newspaper, *The Daily Orange*. Crime prevention materials are available in various areas on the ESF and SU campuses.

Timely Warnings

In the event that a situation arises, either on or off campus, that, in the judgment of the Chief of University Police, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued to all students, faculty and staff and depending on severity will be delivered either through campus email or the NY-ALERT system. SUNY-ESF participates in the New York State All-Hazards Alert and Noti-

fication system, commonly called NY-Alert. In the case of an emergency, the College will use NY-Alert to notify students, faculty and staff through one or more of the following messaging gateways: email, voice phone, text messaging or fax. Warnings sent will contain incident-specific emergency messages and detailed instructions on how to respond to them. The NY-Alert system is maintained by the New York State Emergency Management Office that can be found at: www.semo.state.ny.us.

Authority & Responsibilities of University Police

The University Police Department has a force of 11 sworn police officers with full arrest powers. University Police Officers respond to all emergencies on the campus 24 hours a day, 365 days a year. The mission of University Police is to provide a safe environment for teaching, research and social endeavors and to protect the lives and property of the students, employees and visitors of SUNY-ESF. University Police officers have full law enforcement authority on campus grounds and adjoining roadways. They receive specialized training in emergency response, first aid, defensive tactics, diversity issues, ethics and other topics. Officers meet with students to discuss crime prevention, safety awareness, self-defense, substance abuse, cultural awareness and other community policing concerns.

Policy on Alcohol & Drugs

The illegal possession and/or use of marijuana, barbiturates, amphetamines, hallucinogenic compounds, narcotics and other controlled substances are in violation of state and federal law.

(www.esf.edu/au/pp/alcohol-use-policy.doc). ESF permits the use of alcoholic beverages on campus by those who comply with state law and who adhere to the guidelines established by the college. (www.esf.edu/au/pp/alcohol-service-policy.doc).

Education Programs

During New Student Orientation, a representative from the I’m Smart Organization speaks to the students about the legalities of alcohol use, policies and procedures and health effects of alcohol abuse. Held every spring, the Wellness Expo showcases a variety of health and wellness agencies on the ESF campus, including information on going tobacco free as well as alcohol/drug use and abuse education.

Weapons on Campus

Firearms and dangerous weapons of any type are not permitted on campus. Unauthorized use, possession, or sale of firearms or other dangerous weapons by anyone is strictly forbidden and is a violation of state and federal law as well as a violation of the student code of conduct. (www.esf.edu/students/handbook/)

Daily Log

University Police maintains a daily log of crimes and incidents that occur on campus that is available to the public to view. This information is recorded by date, time and general location, and disposition of the complaint. This daily log is available in the University Police Department, room 19 Bray Hall. Please note that entries or updates are generally made within two business days after the event occurs. Incidents or situations deemed to pose a threat to the campus community are logged as soon as possible.

While most events are logged, the University Police Chief may determine that an incident be classified as “confidential” in order not to jeopardize a criminal investigation or the identity of a victim.

Crime Prevention Activities

Services available through the University Police Department throughout the year include emergency services, parking information, motorist assistance, and lost and found.

The following is a listing of the University’s crime prevention programs and projects:

Escort Service

Available 24 hours a day, 7 days a week for anyone to any on-campus location.

Personal Security

Be sensible, be safe, and be street-wise. As in any metropolitan area, Syracuse has its share of crime and criminals. As a student, you are a prime target, and you need to take advantage of the resources and services available to help you help yourself.

The staff in the Office of University Police at ESF are highly-trained professionals whose job is to protect and serve the campus community. You’ll see officers walking through campus buildings, checking on students working late in the classrooms, labs, or studios, and even stopping in at campus events. Feel free to call them for help and information.

Architectural Designs

The Physical Plant Department maintains campus buildings and grounds with a concern for safety and

security. It inspects campus facilities regularly, promptly makes repairs affecting safety and security, and responds immediately to reports of potential safety and security hazards, such as broken windows. For emergencies that occur during non-business hours, please contact University Police.

The college campus is well lighted, including high intensity sodium vapor lights on buildings, in parking lot areas, in areas with heavy landscaping and trees, and along pathways frequently traveled by students.

Emergency Telephone

The University Police communications center is staffed 24 hours a day. There are usually officers on foot and/or vehicle patrol. Officers are in radio contact with the communications center at all times. The communications center has six emergency phone lines that all roll over from one in house line by simply dialing 6666 on campus or (315) 470-6666 from off campus phones. The center also answers the emergency phones located in all elevators and the Blue Light “help phones” located at 57 exterior and interior sites throughout the campus. A map of the campus Blue Light System can be found at www.esf.edu/psc/map.htm

Facilities Surveys

A University Police Officer serves on the College-wide Personal Safety Committee, and participates in the annual campus Twilight Review. Conducted at dusk, in cooperation with ESF’s Personal Safety Committee, the Twilight Review invites faculty and students to accompany University Police Officers, Physical Plant, and Environmental Health and Safety personnel on a foot tour of the campus grounds.

Its purpose is to invite comment on current safety measures such as lighting, help phones, escort services and the like, in order to recommend modifications and/or improvements.

Rape Awareness

First year students attend a program every Orientation offered by Syracuse University that educates and draws awareness to topics such as date rape, healthy sexuality and gender roles. Offered every fall, the “Non-Violent Sexuality” program discusses healthy relationships and gender role misconceptions.

Relationships with Other Police Departments

The University Hill area in Syracuse consists of a number of facilities that have their own security forces. Those incidents that affect one facility tend to affect us all. To assure the rapid transfer of information and the best usage of available resources, we use the HILLNET radio system. The HILLNET system links the University Police Department at ESF with public safety and police departments at Syracuse University, Veterans Administration Hospital, Crouse-Irving Memorial Hospital, SUNY Upstate Medical University, and the Hutchings Psychiatric Center. Information about criminal activity is immediately broadcast to all HILLNET participants so they can take preventative measures. Periodic meetings among the HILLNET facilities, area merchant representatives, and the Syracuse Police Department allow for the free flow of information among all concerned groups. ESF receives copies of Syracuse Police Department’s daily bulletins to keep abreast of criminal activity in the University Hill area.

Criminal activity at off-campus locations is monitored by the police agency having jurisdiction for that area. Agencies in the Syracuse area share information and assist University Police as needed. Students involved in off campus situations involving alcohol/drug offenses or other criminal activities may be referred to the campus judicial program.

Memorandums of Understanding

ESF University Police have signed memorandums of understanding (MOU’s) with the Syracuse Police Department and the Onondaga County Sheriff’s Department. These MOU’s define what each department’s jurisdiction will be in the investigation of violent felony and missing student cases.

Campus Crime Statistics

In accordance with recent updates to the “Clery Act,” the following data are presented to review crime activity both on campus and on streets adjacent to campus property. Reported on-campus offenses include all offenses reported on campus property and in campus buildings.

Two other categories are presented in this chart: “non-campus buildings or property” and “public property.”

The first category, non-campus buildings or property, includes properties owned by student organizations officially recognized by the institution, properties owned by the College Foundation and those owned by the university outside the campus boundaries. “Public property” includes thoroughfares, streets, sidewalks and parking facilities immediately adjacent to the campus.

This section on campus crime statistics also includes arrests and disciplinary referral made to campus

authorities for alcohol, drugs, and weapons possession. As defined by the Campus Safety Act, a disciplinary referral is an instance when a student is formally reported in writing to a university officer for possible sanction.

As required by the Campus Safety Act, SUNY-ESF is required to report hate crimes in this report. A hate crime occurs when a person is victimized intentionally because of his or her actual or perceived race, gender, religion, sexual orientation, ethnicity or disability. The crimes presented are based on reports filed with the following offices: Chief of University Police and Dean of Student Life and Experiential Learning. Formal requests for crime statistics for areas defined as “public property” and “non-campus buildings and property” are made with the Syracuse Police Department and the Onondaga County Sheriff’s Department.

Evacuation Procedures

Authorizing an Evacuation

University Police, in consultation with the Vice President for Administration, the College President, or officials from the law enforcement or emergency response agencies, will determine when to authorize a campus evacuation. All building and campus evacuations will be conducted in a safe and orderly fashion.

Communication

While campus communication methods will vary depending on the nature of the emergency, methods of notifying employees, students and others of specific evacuation procedures may include NY-Alert (see “Timely Warning Policy”), college-wide e-mail, University Police floor-to-floor notification, or activation of the fire alarm system.

Evacuation Routes

SUNY-ESF has a limited access roadway system. Presently there are three entrances to campus, one of which is controlled by a traffic gate that permits around-the-clock egress and has breakaway arms in the event of mechanical failure. One public entrance is located at the intersection of Irving and Raynor Avenues. The other is at the intersection of Forestry and Sims Drive. The entrance controlled by the traffic gate is located at the intersections of Oakland Street and Stadium Place.

The Carrier Dome, managed by Syracuse University, is a landmark that borders one of our main roadways. This roadway (Forestry Drive) is the only one that allows traffic to flow in an easterly and westerly direction.

There are several alternative routes that can be easily opened to allow traffic to exit from the upper area of campus, in the event the roadway behind Bray and Marshall Halls becomes impassable.

Directly adjacent to the Old M&O Building is a footpath into Oakwood Cemetery that can be utilized without any modifications. It may be difficult to use this footpath during snowy winter conditions.

The other emergency evacuation route is located between Bray and Walters. One person can drop a black chain fence that hangs freely, and vehicular traffic can then reach the traffic circle leading to Sims Drive exit.

The two public entrances as well as the gated entrance are the other escape routes.

Domestic Violence and the Workplace

SUNY-ESF, to the fullest extent possible without violating any existing

rules, regulations, statutory requirements, contractual obligations or collective bargaining agreements, will take all appropriate actions to promote safety in the workplace and respond effectively to the needs of victims of domestic violence. The complete policy is available at the following link: www.esf.edu/au/pp/DVPolicy.doc

Violence in the Workplace Policy

The State University of New York College of Environmental Science and Forestry (ESF) is committed to creating and maintaining a working, learning and social environment that is safe and free from violence.

Civility, understanding and mutual respect toward all members of the ESF community are intrinsic to excellence in teaching and learning, to the existence of a safe and healthful workplace and to the maintenance of a campus culture environment that serves the needs of the many constituencies which support it.

Accordingly, ESF prohibits acts of violence or threats of violence in the workplace. This prohibition extends to persons conducting business with or visiting ESF, even though such persons are not directly affiliated with ESF.

Any violation of this College policy will be met with the strongest possible action appropriate for the circumstance.

The complete policy is available at the following link: www.esf.edu/au/pp/violence.doc

Sexual Crimes Information

Rape and sexual assault, such as sexual abuse and sodomy, constitute crimes. Such behavior is prohibited by New York state law (see Section 130 of

the New York State Penal Law) and Appendix H of the ESF student handbook. The College also strongly condemns sexual harassment in any form. Allegations of sexual assault or rape should be reported to the University Police Department at (315) 470-6666.

Sex Offender Registration

In accordance to the “Campus Sex Crimes Act” of 2000, which amends Wetterling Crimes Against Children and Sexually Violent Offender Registration Act of 1974, the SUNY-ESF University Police Department is providing a link to the New York State Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the State of New York, convicted sex offenders must register with the Sex Offender Registry maintained by the New York State Department of Criminal Justice Services.

The Sex Offender Registration Act (SORA) is available via Internet pursuant to New York State Correction Law Article 168. Registry information provided under this section shall be used for the purposes of the administration of criminal justice or otherwise for the protection of the public in general and children in particular. Unlawful use of the information for the purposes of intimidating or harassing another is

prohibited and intentional violation shall be punishable as a Class B Misdemeanor.

The New York State Sex Offender Registry can be accessed by the following link:

www.criminaljustice.state.ny.us/nsor/

Sexual Assault Information (Aid to Victims of Violence)

Allegations of sexual assault or rape occurring off campus should be reported to the Syracuse City Police. Efforts will be made to ensure the confidentiality of all reports, except as necessary and required to investigate the alleged offenses. College authorities may issue a safety alert to those areas of the College community affected by the crime. The issuance of this alert will depend on the particular circumstances of the crime.

Victims can provide information to University Police and choose criminal prosecution and/or a referral to the on-campus discipline system administered by the Office of Student Life. Procedures and possible sanctions related to on-campus discipline are discussed in the Code of Student Conduct. www.esf.edu/students/handbook/judicialhandbk.doc

Victims of sex crimes should contact the Office of Student Life (ext. 6658) for additional information. It is important to note that the accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding. Both the accuser and the accused will be informed of the outcome of any campus disciplinary action including the sanction to be imposed. Such sanctions can include suspension and dismissal from the institution.

If you are a victim of sexual assault, immediately report the assault to the police. Call 6666 on campus, or 911 off campus. Police cannot investigate the incident as a crime unless you file a formal report. Reporting a crime to the police or to another campus office does not necessarily obligate you to follow through with criminal prosecution.

*Go to a hospital emergency room as soon as possible if the assault involved a sexual penetration or other physical injuries. (Evidence can be collected several hours after an attack, but its value may be diminished.) Do not wash, change clothing, or otherwise “clean up.” Bring a full change of clothing because the clothes you were wearing at the time of the attack may be kept as evidence.

*Your follow-up medical care is crucially important. You may need tests for sexually transmitted diseases and pregnancy.

*No matter when or where the assault occurred, support and referral resources are available to help you.

Statement of Victims’ Rights

- Victims have the right to choose counseling and medical treatment, and to prosecute and report their case through the campus judicial system and/or the off-campus court system. They also have the right to refuse all these options without reproach from any campus personnel.
- Victims have the right to be treated with dignity and seriousness by campus personnel.
- Victims of crimes against an individual have the right to be reasonably free from intimidation and harm.

- Campus personnel are encouraged to inform all victims that victims are not responsible for crimes committed against them; victims should always report the crime, despite the possibility of adverse publicity for the college.
- Victims will be made aware of appropriate student services, including counseling.
- Victims are entitled to the same support opportunities available to the accused in a campus disciplinary proceeding.
- If the accused is prohibited from contacting the victim or entering the victim’s residence, the victim will be notified that the ban is in effect.
- Any victim who does not wish to remain in his/her present residence hall or class section may be granted a transfer to other housing or another class section if available.
- The victim has the right to information regarding the status of his/her case.
