Subject: **Invitation to Review for Global Change Biology**
Date: February 9, 2009 1:23:55 PM EST
To: Ruth Yanai <rdyanai@mailbox.syr.edu>

Dear Dr. Yanai:

Global Change Biology has received a manuscript entitled [redacted] for consideration for publication and the Subject Editor of this manuscript, Dr. Paul Hanson, has nominated you as a potential reviewer.

The abstract appears at the end of this letter, along with the names of the authors. As a recognized leader in research areas associated with this manuscript we hope that you are able to accept this request. Please let us know as soon as possible if you will be able to accept the invitation to review. You may e-mail us with your reply or click the appropriate link at the bottom of the page to automatically register your reply with our online manuscript submission and review system.

If you are unable to review at this time, we would appreciate you recommending a colleague, post-doctoral fellow or senior postgraduate in your laboratory who could possibly referee to this work.

If you accept our invitation to review this manuscript, you will be notified via e-mail about how to access Manuscript Central, our online manuscript submission and review system. You will then have access to the manuscript and reviewer instructions in your Reviewer Center.

As a small token of our appreciation for a review returned to us to us within three weeks we offer a free reproduction of one color plate (normal cost ca. $450) in the next article that you publish in GCB.

Best regards,
Global Change Biology Editorial Office
