

Submission of a Manuscript

Biogeochemistry uses **Springer
Editorial Manager**

Welcome to the
Online Manuscript Submission,
Review and Tracking System
for the journal
Biogeochemistry

We trust that you will find this Online Manuscript Submission, Review and Tracking System very user friendly. To make your start even easier, please find below a few instructions:

New Authors: Please click the 'Register' button from the menu above and enter the requested information. Upon successful registration you will be sent an e-mail with instructions to verify your registration.

Note:

- When you have received an e-mail from us with an assigned user ID and password, DO NOT REGISTER AGAIN. Just log in to the system as 'Author'.

Authors: Please click the 'Login' button from the menu above and log in to the system as 'Author'. Then submit your manuscript and track its progress through the system. A wide range of submission file formats is supported, including: Word, WordPerfect, RTF, TXT, TIFF, GIF, JPEG, EPS, LaTeX2E, TeX, Postscript, PICT, Excel, Tar, Zip and Powerpoint. **PDF is not an acceptable file format.**

Note:

- Please upload your manuscript only ONCE on to the system. After uploading your manuscript, it will be automatically formatted as a PDF file, and you will be sent an e-mail requesting that you approve your submission. Please return to the main menu and APPROVE your submission accordingly.

Returning Authors: Please use the provided username and password and log in as 'Author' to track your manuscript or to submit a NEW manuscript. (*Do not register again as you will then be unable to track your manuscript*).

Reviewers: Please click the 'Login' button from the menu above and log in to the system as 'Reviewer'. You may view and/or download manuscripts assigned to you for review, submit your comments for the editors and the authors, and track the progress of your manuscripts through the system.

Pre-registration Page

To register to use the Editorial Manager system, please enter the requested information. Upon successful registration, you will be sent an e-mail with instructions to verify your registration.

Please Enter the Following

WARNING - If you think you already have an existing registration of any type (Author, Reviewer, or Editor) in this system, please DO NOT register again. This will cause delays or prevent the processing of any review or manuscript you submit. If you are unsure if you are already registered, click the 'Forgot Your Password?' button.

If you are registering again because you want to change your current information, changes must be made to your existing information by clicking the 'Update My Information' link on the menu bar. If you are unsure how to perform these functions, please contact the editorial office.

PLEASE NOTE:

PLEASE NOTE: Your submission has not yet been sent to the editorial office.

Your submission is being created. Editorial Manager is taking the files you submitted and creating a PDF.

Please go to the [Submissions Waiting for Author's Approval](#) page, where a link to the PDF will appear after it has been built. You must view the PDF and approve your submission. Please read the instructions below.

On the [Submissions Waiting for Author's Approval](#) page, you can View your PDF, Edit the Submission, Approve the Submission, or Remove the Submission. Once you have Approved the Submission, the PDF will be sent to the editorial office.

If you have designated a different Corresponding Author on the Add/Edit/Remove Author step, then this paper will not be available on your Submissions Waiting for Author's Approval page. The new Corresponding Author will have access to the PDF and must login to the system to approve the PDF before the submission can be sent to the editorial office.

Reference checking is done for journal citations. If the journal citation has a PubMed or CrossRef link, it has been validated. If 'Not Checked' is displayed, either the citation, or the linking service did not return results. If 'Not Validated' is displayed, the journal citation could not be validated on the linking service.

Subject: Your manuscript submitted to Biogeochemistry

Dear Dr. Byung Park,

Unfortunately, we must return your manuscript to you for the following reasons:

Kindly include all authors' information in the title page of the manuscript.

I observe that the following are missing in the cover page of your submission. Kindly update the below details so that further.

- * Please be kind enough to suggest three to five potential reviewers who are qualified to judge the work objectively, and current e-mail addresses.
- * Please ensure that reviewers represent a broad international coverage. Potential reviewers should not include anyone collaborated during the research being submitted.
- * Please include your field of interest/expertise in the cover letter.
- * You are expected to at least review two papers for the journal when invited.

Please log onto the Editorial Manager site at:
