

TARGET JOURNAL → **Journal of bryology**

INSTRUCTIONS

(<http://www.maneyonline.com/pb/assets/raw/ifas/jbrauthorguidelines.pdf>)

Description of the journal's content.

Submission online with the following steps:

0. Register as an user of the editorial (Maney system)

1. Fields:

- Title, concise.
- Short title, 10 words.
- Abstract, it includes aim, methods, results and conclusions, up to 250 words.
- Key words, in alphabetic order, not included in the title, up to 125 characters.

2. Attach files:

- All the manuscript in a word (.doc, .docx) or rtf format, it includes six sections, each starting in a separated page. The sections are: title, authors, and affiliations (indicate clearly the corresponding author); abstract and keywords; text (do not justify, do not use solid, use the negative power to indicates units, turn autohyphenation off, **use hard returns only at the end of paragraphs**, edit units and citations properly); references (Hardard author-date system); tables and figures; captions to ilustrations.
- Attach any supplementary material (long lists or multimedia).

OPTIONAL. List two to three suggested reviewers.

BLINDED REVIEW.

3. Attach files:

- All the manuscript in a word (.doc, .docx) or rtf format, it includes six sections, each starting in a new page title. The sections are: title, authors, and affiliations; abstract and keywords; text*; references; tables and figures; captions to ilustrations (including source).
- Attach a high resolution file of each figure (.jpg or .tiff). Specifications: lines minimum 0.3 pt width, 600 dpi (240 dots per centimeter), crop any unwanted white, font should be 8pt legible at 80 mm (one column), **“Supply halftones as greyscale images.”**
- Attach copy right on those figures that the authors want to protect.
- a response to the referees' comments
- a completed, signed copyright transfer form, or where appropriate a licence to publish.

OPTIONAL. Pay \$2000 to publish online immediately.

OPTIONAL. Changes on authorship, describing why and including the signature of the other authors.
