Class Standing: Rising Sophomore

Desired Position: Chief Communications Officer

Application Questions (Please include answers in your letter of intent):

The letters of intent will be shared with the campus community. Please answer these questions in a 1 page single-spaced document, but do not limit yourself to just these questions please feel free to expand.

1. What past leadership experiences and qualities most prepare you for a role in USA?

2. What do you see as the role of USA in developing the students experience on our campus as well as the campus community?

3. What two committees would you like to join? Why? (Only applies to Senators)

4. What is one goal you have for your tenure in USA?

Please send this application, as well as a letter of intent, and any questions about the application process to the Director of Association Affairs Howard Haines: hahaines@syr.edu
To the Undergraduate Student Association,

My name is Skylar Moffett and I am currently a freshman in Environmental Resources Engineering. I am applying to be the Chief Communications Officer for the 2020-2021 academic year. The reason I am applying is because throughout my first year in USA as a First Year Class Senator I have realized the importance of being involved on campus and finding a way to engage everyone. During my sophomore year I would like to engage more and take on a larger role, as I have learned a lot about USA in general. I have become deeply connected to this campus and the people within during my first year here, and I know that being a part of USA will help me to sustain and strengthen those connections.

It is obvious that USA has the overarching belief that every student deserves to be heard, and I share that belief. My goal is to make sure every student feels represented and important when it comes to this campus, and by becoming a USA officer I can ensure my goal is met. As the Chief Communications Officer I would be able to be a leader on campus to my peers and showcase the various ways that the Undergraduate Student Association and other groups on campus are prolific and active within the ESF community. Within USA I will remain active and aware of what is ongoing and keep detailed logs of these actions.

Best,

Skylar Moffett
