

State University of New York College of  
**Environmental Science and Forestry**

Dear SUNY ESF Student:

Your application for financial aid (FAFSA) has been selected for a process called verification. Your prompt attention is essential and appreciated - **no federal aid will be disbursed or appear on your billing statement until this process is completed.**

### **2020-2021 Federal Verification of FAFSA Information**

**What is Verification?** Verification is a federal financial aid requirement in which the Federal Central Processing System (CPS) randomly selects Free Application for Federal Student Aid (FAFSA) applicants for verification (which will be noted on your "Student Aid Report" or "SAR"). **All requested documents should be submitted in full by June 30, 2020 or three weeks from the date of this letter, whichever is later.** Once the required documentation is received, the self-reported information on the FAFSA will be compared to the data on the IRS Tax Return and other financial documents. If any mistakes are found on the FAFSA the school will make the necessary corrections on your behalf.

**What documents are needed for Verification?** Dependent students who are selected for verification will need to complete the following steps:

1. Students - verify high school completion status.
2. Students - verify identity and sign statement of educational purpose.
3. Students and spouses (if married) must fully complete and submit the included verification worksheet. The worksheet instructions will provide guidance on completing each requirement. Please be sure to read all instructions carefully and only complete required sections as indicated.

**How should documentation be submitted?** All documentation should be submitted to:

1 Forestry Drive  
Syracuse, NY 13210  
(315) 470-6670

### High School Completion Status Section

The student must provide documentation that indicates high school completion status. If one of the items below is checked, SUNY ESF has already obtained acceptable documentation through the admissions process. If no box is checked, the student will need to provide one of the listed items. The student should contact the Office of Financial Aid to discuss other options if none of the listed items are available.

- A copy of the student's high school diploma.
- A copy of the student's final official high school transcript that shows the date when the diploma was awarded.
- A State certificate or transcript received by a student after the student passed a State-authorized examination that the State recognizes as the equivalent of a high school diploma (GED test, HiSET, TASC, or other State-authorized examination).
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- For a student who was homeschooled in a State where State law requires the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a copy of that credential.
- For a student who was homeschooled in a State where State law does not require the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript, or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
