

Dear SUNY ESF Student:

Your application for financial aid (FAFSA) has been selected for a process called verification. Your prompt attention is essential and appreciated - **no federal aid will be disbursed or appear on your billing statement until this process is completed.**

2023-2024 Federal Verification of FAFSA Information

What is Verification? Verification is a federal financial aid requirement in which the Federal Central Processing System (CPS) randomly selects Free Application for Federal Student Aid (FAFSA) applicants for verification (which will be noted on your "Student Aid Report" or "SAR"). **All requested documents should be submitted in full by June 30, 2023 or three weeks from the date of this letter, whichever is later.** Once the required documentation is received, the self-reported information on the FAFSA will be compared to the data on the IRS Tax Return and other financial documents. If any mistakes are found on the FAFSA the school will make the necessary corrections on your behalf.

What documents are needed for Verification? Independent students who are selected for verification will need to complete the following steps:

1. Students - verify identity and sign statement of educational purpose.
2. Students and spouses (if married) must fully complete and submit the included verification worksheet. The worksheet instructions will provide guidance on completing each requirement. Please be sure to read all instructions carefully and only complete required sections as indicated.

How should documentation be submitted? All documentation should be submitted to:
