

Dear SUNY ESF Student:

Your application for financial aid (FAFSA) has been selected for a process called verification. Your prompt attention is essential and appreciated - **no federal aid will be disbursed or appear on your billing statement until this process is completed.**

2025-2026 Federal Verification of FAFSA Information

What is Verification? Verification is a federal financial aid requirement in which the Federal Central Processing System (CPS) randomly selects Free Application for Federal Student Aid (FAFSA) applicants for verification (which will be noted on your "Student Aid Report" or "SAR"). **All requested documents should be submitted in full by June 30, 2025 or three weeks from the date of this letter, whichever is later.** Once the required documentation is received, the self-reported information on the FAFSA will be compared to the data on the IRS Tax Return and other financial documents. If any mistakes are found on the FAFSA the school will make the necessary corrections on your behalf.

What documents are needed for Verification? Independent students who are selected for verification will need to complete the following steps:

1. Students and spouses (if married) who filed 2023 federal taxes - verify tax data.
2. Students and spouses (if married) who did not file 2023 federal taxes - provide proof of income from work.
3. Students and spouses (if married) who did not file 2023 federal taxes - provide proof of non-filing status.
4. Students and spouses (if married) must fully complete and submit the included verification worksheet. The worksheet instructions will provide guidance on completing each requirement. Please be sure to read all instructions carefully and only complete required sections as indicated.

How should documentation be submitted? All documentation should be submitted to:

Student Nontax Filers Information Section

The instructions and certifications below apply to the student and spouse (if the student is married). Complete this section if the student and spouse will not file and are not required to file a 2023 income tax return with the IRS.

By completing this document, I certify that I have not filed and am not required to file a 2023 income tax return, and I have listed all income earned from work, other income, and resources for the 2023 tax year.

Check one box below:

- ☐ The student and spouse were not employed and had no income from work in 2023.
- ☐ The student and/or spouse were employed in 2022 and have listed below the names of all employers, the amount earned from each employer in 2023, and whether an IRS W-2 form or an equivalent document is provided. List every employer even if the employer did not issue an IRS W-2 form. If more space is needed, provide a separate page with the student's name and last 4 digits of the SSN at the top.

Student Tax Filers Information Section

Complete this section if the student and spouse (if the student is married) filed or will file a 2023 IRS income tax return(s). As part of Federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2023 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2023 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS via the FA-DDX.

If 2023 income tax return information for the student (or spouse, if applicable) was not transferred via the FA-DDX and considered verified, the student should provide the institution with a 2023 IRS Tax Return Transcript(s) or a signed copy of the 2023 income tax return and applicable schedules.

Check one box below:

- ☐ The student will provide the school with a 2023 IRS Tax Return Transcript. **Documentation Required: If selecting this option, please provide a copy of the student's 2023 IRS Tax Return Transcript.**
- ☐ The student will provide the school with a **signed** copy of the 2023 federal tax return and applicable schedules that were submitted to the IRS or other tax authority. **Documentation Required: If selecting this option, please provide a signed copy of the student's 2023 Federal Tax Return and applicable schedules. Note – "wet" signatures are required. Do not type name, use images, mouse draw signatures, or submit e-file signature authorizations.**

A 2023 Tax Return Transcript can be obtained through:

- Web Request Transcript by Mail or Online – www.irs.gov
- Phone Request Transcript by Mail – 1-800-908-9946
- Paper Request Transcript by Mail – IRS Form 4506T-EZ or IRS Form 4506-T
