

State University of New York College of  
**Environmental Science and Forestry**

The Syracuse Pulp and Paper Foundation, Inc. ("SPPF") awards scholarships to students enrolled in the Department of Chemical Engineering at SUNY ESF. Recipient selections are often made based on data from college student records or the Free Application for Federal Student Aid (FAFSA). In order to release this data to the SPPF, ESF must collect authorization from each student.

By signing below, the student authorizes SUNY ESF to release the data specified on this form to the SPPF for each semester of enrollment at the college. This data is to be used only for the purpose of selecting recipients of the scholarships administered by the SPPF.

Name

Student ID
