

University Police Changes due to COVID-19

Your University Police are making changes to help stop the spread of COVID-19. These changes will remain in place until further notice.

University Police Remaining on Duty

Your University Police are remaining on duty to respond to emergencies on campus. You can still call us at 315 470-6667 anytime to request assistance. Our Officers are following CDC guidelines for social distancing and the use of Personal Protective Equipment (PPE). This will have an impact on the way that we interact with our community and has resulted in us curtailing some of the non-emergency services that we provide. We ask for your understanding as we navigate through this rapidly-evolving public health crisis.

Some Police Reports Will be Taken by Phone

During this time, in certain circumstances, Officers will be taking initial police reports by phone. This would not extend to crimes in progress or crimes of violence. Minor property crimes and hit and run accidents without injuries will be documented by an Officer taking the report over the phone.
