

# ECO TO-GO

THE TRAILHEAD CAFÉ'S NEW TO-GO CONTAINER PROGRAM

## 1. EAT

To participate in this program you will need to purchase an ECO TO-GO reusable container for \$5. Simply tell the cashier that you would like to join the program and you will receive an ECO TO-GO container to keep and take your food to-go.

## 2. RINSE

Rinse your container after eating and keep it until you order takeout again.

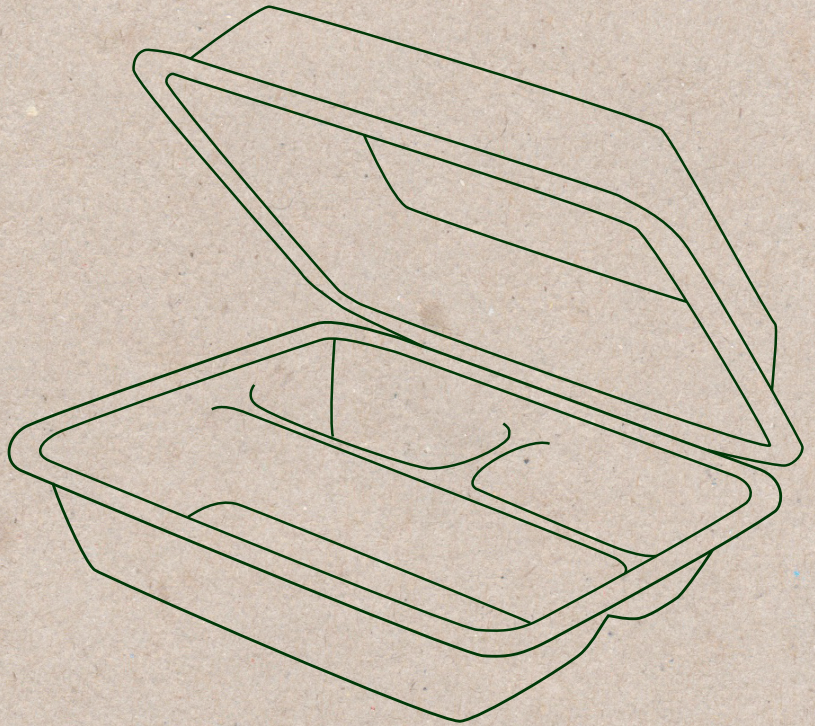

## 3. RETURN

Bring your container with you the next time you order takeout. When you return it to the cashier your to-go order will be placed in a replacement container. You must return a container to receive a new one (unless you would like to pay \$5 for another container). All used containers must be washed and sanitized in our dish room.

## 4. REPEAT

Repeat steps 1-3.

### WHY A REUSABLE TO-GO CONTAINER?

As part of our increasing efforts and leading the way to a more sustainable and eco-friendly dining experience, The Trailhead Café has issued an ECO TO-GO program to help reduce takeout waste.

This program is completely optional. Disposable to-go containers will still be available to those who choose not to participate in the ECO TO-GO program.

### WHAT IF I DAMAGE OR LOSE MY CONTAINER?

Damage other than normal wear & tear is considered your responsibility; if you wish to continue participating in the ECO TO-GO program, you will need to purchase another container for \$5.

### WHAT ELSE SHOULD I KNOW?

The containers themselves have three compartments, are BPA free, NSF listed and microwave safe.

If you have any questions about the program or would like to learn more, speak to a member of The Trailhead Café team or find The Trailhead on Facebook at [www.facebook.com/ESFTrailhead](http://www.facebook.com/ESFTrailhead).
